2nd ESO A and B went to "**La Toma del Agua**" in Riopar from the 12th to the 16th of June to participate in a Language Camp. There were 34 students and their English teachers, Gloria and Lola. It was a great experience for all of them and here you can read their opinions about it: "this camp was amazing, really, really amazing, the monitors, the activities, the cabins, the food, the "pool", the English lessons, the night games....", "The monitors were very funny and nice, the cabins were big and comfortable, the monitors helped us with everything. We did archery, zip-line, climbed, we swam in a lake that came from a mountain river..", "we could see squirrels, dragonflies, and big spiders too.", "It was the best week of my life, the monitors were friendly and crazy, it was fantastic although the water was freezing." "The best game for me was 'the crazy person at night', I'm sad now because I love the monitors", "It was totally amazing, this camp was the best thing I've ever done. The activities were really funny and the monitors very nice. We miss them a lot".

"It was amazing how good the monitors were, how much we loved them in just five days. The place, the cabins, the food, the activities were amazing. I want to repeat it over and over again. I'll never forget the 'good morning sweeties' or the 'WAO, AMAAAZING!'; Josh is the best!"

"I recommend this camp to everybody", " If you go there, you will enjoy the camp so much"

The best word that describes the experience in this camp is **AMAZING!!!!**
